Clarence and Robie Hamby, who have been very sick are reported bet-

# BIG AUCTION SALE

## 2,500 Acres on Cumberland Plateau

Bon Air Coal and Iron Corporation Lands  
Surrounding CLIFTY and EASTLAND  
IN TRACTS OF 5 TO 100 ACRES

On Premises

**NOVEMBER 8TH AND 9TH**  
**BEGINNING NOVEMBER 8TH, AT 10 A. M.**

These lands are geographically in the center of the Cumberland Plateau, a section of Tennessee that is widely known for its coal, minerals, timber and rich soil, and in the heart of a prosperous, rapidly growing community. Clifty, the little town which most of these lands surround, is a model, up-to-date, thriving and prosperous coal mining and lumber town, with a population of about 900; has a railroad station, several stores, school and churches and a high-class citizenship.

This property, which we will sell absolutely to the highest bidder and on very liberal terms, is now being surveyed and platted into tracts of five to one hundred acres—each tract being well-located, with good building site and both tillable and timbered lands, as well as sufficient pasturage. On several of these tracts there are now nice cottages. By so dividing this property both the small and large investor will be given an opportunity to make good investments in a growing section, rich in soil and natural resources, where property is destined soon to bring higher prices.

The soil is a fine, sandy loam, which is easily tilled and at the same time supplied with sufficient clay subsoil to enable it to retain well both manurial substances and moisture. It is well adapted to a great variety of crops, including corn, clover, grass, forage crops, vegetables and fruits. The wide range for several months in the year, together with the fact that the soil is especially adapted to forage crops, such as soy beans, cow-peas, etc., as well as clover and grass, make the cattle and sheep industry one of the most profitable employments.

Practically all of this land has sufficient timber for necessary out houses and fences. At Clifty a big and sufficient lumber camp is operated by Ransom-Benedict Lumber Company, one of the largest lumber interests in the South, which will be a great aid to those who desire to build on tracts purchased.

Transportation facilities are splendid with the Nashville, Chattanooga and St. Louis Railway giving outlet to Nashville, Atlanta, and Chattanooga and the other big railway centers. The Memphis to Bristol Highway which will run through this property, designed as a part of a national system of highways, is now being completed through Cumberland and White counties, a distance of 40 miles. There are also good graded county roads leading in most every direction from this property.

This is an excellent opportunity for making a good investment or buying a home and farm. Property in this section is going higher and higher.

These lands will be sold on very liberal terms—a small cash payment and the balance easy, or a liberal discount will be allowed for cash. And REMEMBER, every piece is going to be sold absolutely to the highest bidder, regardless of price.

**ONE HUNDRED DOLLARS IN GOLD WILL BE GIVEN AWAY DURING THE SALE**

**FOR FULL INFORMATION, PHONE, WRITE OR SEE DR. W. B. YOUNG,**

**BON AIR, TENNESSEE**

**W. W. DILLON & COMPANY,**

304 Third Avenue North, NASHVILLE, TENN.

#### 25 ACRE FARM SOLD

#### TWO MILES FROM TOWN

Charles J. Julian Closes Out for \$2,000.00 Will Give Possession January 1.

Last week Chas. J. Julian sold his 25-acre farm, two miles south of town to Hiram Hunter, of Picket county, and is to give possession January 1, next; consideration \$2,000, \$1,500 cash and balance deferred payment.

The farm lays well and has about 15 acres cleared, a neat and comfortable dwelling, good barn good well and some fruit trees. The deal is regarded as a very favorable one for the purchaser as his close proximity to town and the good school advantages render it a farm that will increase in value very materially within a few years.

Mr. Julian has considerable feed and several head of live stock to dispose of as he has no other farm in view but prefers to engage in some business. His experience in the general merchandise line splendidly qualifies him, coupled with the high esteem in which he is held by our people generally, for making a splendid success of any business in the merchandise line that he may decide to engage in.
